Applicants are submitting herewith a Petition to Include Color Drawings Under 37 C.F.R.

§ 1.84

It is requested that color drawings corresponding to Figures 1-8 be included with the application. These color drawings are necessary because Figures 1-8 include images wherein subtle differences in color are necessary to fully discern the significance of the experimental results disclosed in the figures.

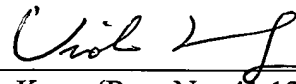

As part of this petition, Applicants have included:

1. the fee set forth in § 1.17(h),
2. three sets of color drawings for each of Figures 1 and 5,
3. a black and white copy of each of Figures 1 and 5, which accurately depicts, to the extent possible, the subject matter shown in the color drawings, and

4. an amendment to the specification, which includes reference to the color drawings at the beginning of the "Brief Description of the Drawings" section.

Respectfully submitted,

Date: May 27, 2005
